

Jadavpur University is celebrating

# ALUMNI DAY

**January 4, 2025 | 10 a.m.**

**Open Air Theater, Jadavpur University**

**Inauguration, Address by VC and Pro-VC, Invited Speeches,  
Panel Discussion, Lunch, Cultural programme**

The purpose is to strengthen the bond between the University and its alumni. Giving back to the alma mater remains a matter of pride to all the alumni. Over the years, many of the alumni of the University came forward to give back to the University through the associations in which they are the members, or as particular pass-out batches or in their individual capacities. A website will be launched on the day of celebration for acknowledging them and pursue such activities more vigorously. The website will be regularly updated to communicate various news and achievements of the University and its alumni and project the requirements of the University and its students.
